THIS DOCUMENT RELATES TO:

*Wisconsin, et al. v. Indivior Inc. et al.*

MDL No. 2445

Master File No. 2:13-MD-2445-MSG

STATE OF WISCONSIN et al.

Plaintiffs,

v.

Indivior Inc. f/k/a Reckitt Benckiser  
Pharmaceuticals, Inc., et al.

Defendants.

Civ. A. No. 16-cv-5073

**JOINT STATUS REPORT**

As directed in the Court's Order of Dec. 14, 2022, the parties in *State of Wisconsin v. Indivior Inc.*, submit the following Joint Status Report regarding "whether Plaintiffs will attempt to proceed with any remaining conspiracy or conspiracy-related claims" in light of the Court's October 19, 2022, ruling that all claims against Aquestive Therapeutics shall be dismissed.

Lead counsel, Gwendolyn Cooley, has met and conferred with all State Plaintiffs and received authority from them that the State Plaintiffs in this matter will stipulate that they will not proceed with any conspiracy or conspiracy-related claims that they brought against Defendants under state or federal law in this matter, unless new evidence is found concerning such claims during the testimony of witnesses who previously pleaded the 5<sup>th</sup> Amendment. In making this stipulation, the States reserve their right to file a FRCP Rule 60(b)(2) motion for relief or any other relief available to the States. The States conferred with Indivior Inc. regarding this Joint Status Report on December 28, 2022, and thereafter. Subject to the States' reservation of rights, the parties agree that, in accordance with this stipulation, all conspiracy and conspiracy-related claims against Indivior Inc. should be dismissed with prejudice, and that Indivior Inc. will meet and confer with the States to prepare a proposed order dismissing such claims at an appropriate time.

Respectfully submitted,

Joshua L. Kaul  
Wisconsin Attorney General
